Dear Parents,

24/8/18

On Tuesday 4th September 2018 we will be focusing once again on Road Safety with the children in the preschool room. RAPS is a road safety awareness program that supports the learning about road safety with young children in a fun and active way. The children will be learning things such as crossing the road, walking safely near a road, what to do when you see traffic lights and stop/go signs and also driving a mini 6volt car!

Between 10am and midday the children will be taken in groups of 1 educator with every 5 children across the road to the enclosed Tennis Courts on Greenhills way to participate in the RAPS activity.

The children will be walking to and from the venue and will only be having to cross one small quiet road and along the path next to the car park to the tennis courts. There will be 4 educators who will attend to supervise the children during the activity. A full first aid kit, fresh water, parent and emergency contact list will be taken with us.

Please complete the permission note below. Without a completed permission note your child will not be able to attend.

I give permission for my child _____ to attend the *RAPS (Road Awareness Program)* where they will learn about road safety. I understand that this will involve them having the opportunity to ride on a small 6volt car around a track within the tennis courts.

Where: Hawkesbury Sports Council in the Tennis Courts located on Greenhills Way, South Windsor

When: Tuesday 4th September 2018.

Time: From 9:30am Until Midday

Transport: I understand that the children will be walking across the road and along the path beside the car park to the front of the building.

Supervision: I am aware that there will be 4 staff/educators with a maximum of 20 children from Greenhills attending.

The responsible Educator will be: Candice.

For any enquiries on the day please contact the centre on 45776102 and we will get in touch with the staff who are with the children.

Please note: A Risk Assessment process has been completed. You are welcome to view the risk assessments prior to the excursion.
